TERM LOAN AGREEMENT

This Term Loan Agreement (the "Agreement") is entered into as of July 20, 2025, by and between Bluecrest National Bank, a banking corporation organized under the laws of the State of Oregon (the "Lender"), and Cascade Office Supply, a company having its principal place of business as set out on the signature page (the "Borrower").

The Borrower represents that the financial statements delivered to the Lender fairly present its financial condition and that no material adverse change has occurred since the date of those statements.

The Borrower shall maintain insurance on the collateral in amounts and against risks customarily carried by companies engaged in similar businesses, naming the Lender as loss payee.

All notices under this Agreement shall be delivered in writing to the addresses set out on the signature page and shall be deemed received three business days after posting by certified mail.

ARTICLE II - THE LOAN

Subject to the terms of this Agreement, the Lender agrees to advance to the Borrower a term loan in the principal amount of $501,209.36 (the "Loan"). The Loan shall bear interest on the outstanding principal balance at a fixed annual rate of 7.8%, computed on the basis of a 360-day year, and shall be repayable in 84 equal monthly installments, with the final installment due on October 20, 2025 (the "Maturity Date").

Each party shall bear its own costs and expenses incurred in connection with the preparation, negotiation, and execution of this Agreement, except as expressly provided herein.

Time is of the essence with respect to every obligation of the Borrower under this Agreement and each related loan document executed in connection herewith.

The Borrower represents that the financial statements delivered to the Lender fairly present its financial condition and that no material adverse change has occurred since the date of those statements.

ARTICLE V - COVENANTS AND DEFAULT

Any installment not received within ten days of its due date shall incur a late charge equal to 4% of the overdue amount. This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon, without regard to its conflict of laws principles.

The Borrower represents that the financial statements delivered to the Lender fairly present its financial condition and that no material adverse change has occurred since the date of those statements.

The Borrower shall maintain insurance on the collateral in amounts and against risks customarily carried by companies engaged in similar businesses, naming the Lender as loss payee.

No amendment or waiver of any provision of this Agreement shall be effective unless made in writing and signed by both parties, and no failure to exercise any right shall operate as a waiver thereof.
