

TERM LOAN AGREEMENT

This Term Loan Agreement (the "Agreement") is entered into as of August 13, 2026, by and between Northwind Community Bank, a banking corporation organized under the laws of the State of Minnesota (the "Lender"), and Silverbell Logistics LLC, a company having its principal place of business as set out on the signature page (the "Borrower").

If any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions shall continue in full force and effect, and the parties shall negotiate in good faith a substitute provision.

No amendment or waiver of any provision of this Agreement shall be effective unless made in writing and signed by both parties, and no failure to exercise any right shall operate as a waiver thereof.

Each party shall bear its own costs and expenses incurred in connection with the preparation, negotiation, and execution of this Agreement, except as expressly provided herein.

ARTICLE II - THE LOAN

Subject to the terms of this Agreement, the Lender agrees to advance to the Borrower a term loan in the principal amount of \$113,651.19 (the "Loan"). The Loan shall bear interest on the outstanding principal balance at a fixed annual rate of 9.3%, computed on the basis of a 360-day year, and shall be repayable in 60 equal monthly installments, with the final installment due on October 17, 2026 (the "Maturity Date").

If any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions shall continue in full force and effect, and the parties shall negotiate in good faith a substitute provision.

The Borrower shall maintain insurance on the collateral in amounts and against risks customarily carried by companies engaged in similar businesses, naming the Lender as loss payee.

The Borrower represents that the financial statements delivered to the Lender fairly present its financial condition and that no material adverse change has occurred since the date of those statements.

ARTICLE V - COVENANTS AND DEFAULT

Any installment not received within ten days of its due date shall incur a late charge equal to 5% of the overdue amount. This Agreement shall be governed by and construed in accordance with the laws of the State of Minnesota, without regard to its conflict of laws principles.

The Borrower represents that the financial statements delivered to the Lender fairly present its financial condition and that no material adverse change has occurred since the date of those statements.

Each party shall bear its own costs and expenses incurred in connection with the preparation, negotiation, and execution of this Agreement, except as expressly provided herein.

No amendment or waiver of any provision of this Agreement shall be effective unless made in writing and signed by both parties, and no failure to exercise any right shall operate as a waiver thereof.
