

TERM LOAN AGREEMENT

This Term Loan Agreement (the "Agreement") is entered into as of February 4, 2025, by and between First Meridian Bank, a banking corporation organized under the laws of the State of Texas (the "Lender"), and Oakhaven Print Works, a company having its principal place of business as set out on the signature page (the "Borrower").

The Borrower represents that the financial statements delivered to the Lender fairly present its financial condition and that no material adverse change has occurred since the date of those statements.

If any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions shall continue in full force and effect, and the parties shall negotiate in good faith a substitute provision.

Each party shall bear its own costs and expenses incurred in connection with the preparation, negotiation, and execution of this Agreement, except as expressly provided herein.

ARTICLE II - THE LOAN

Subject to the terms of this Agreement, the Lender agrees to advance to the Borrower a term loan in the principal amount of \$84,824.58 (the "Loan"). The Loan shall bear interest on the outstanding principal balance at a fixed annual rate of 9.3%, computed on the basis of a 360-day year, and shall be repayable in 36 equal monthly installments, with the final installment due on March 12, 2025 (the "Maturity Date").

Time is of the essence with respect to every obligation of the Borrower under this Agreement and each related loan document executed in connection herewith.

Each party shall bear its own costs and expenses incurred in connection with the preparation, negotiation, and execution of this Agreement, except as expressly provided herein.

The Borrower shall maintain insurance on the collateral in amounts and against risks customarily carried by companies engaged in similar businesses, naming the Lender as loss payee.
